## Back to Basics!

We're going back to the basics with good 'ol suggestion boxes! Small hand-made wooden boxes have been delivered to these county facilities: Cary Home, Tippecanoe Villa, County Parks Office, Soil & Water office, Community Corrections, County Jail, County Extension, Offices at 629 N 6th Street (kitchen), County Office Building (1st floor break room), and Courthouse (5th floor break area). And soon to be delivered to WIC, Juvenile Alternatives, and Court Services. Please, ask your department head for the location. We welcome any and all employee comments, with or without your name (you may wish to be recognized for a thoughtful or innovative suggestion!) Representatives from the Commissioners office will retrieve suggestions at least once a month. Please, deposit paper only--no food, drink, sharp objects, or suspicious packages!!!

## GOOD IDEA!

A few months ago Tommi Barngrover of the **Prosecutor's Child Support Staff** asked if **County Lines** would recognize Office Manager Kathy Greer's 25-year anniversary. That's quite a milestone in a career and **County Lines** would like to say congratulations to Kathy Greer on her quarter century with us and thank you Tommi Barngrover for the suggestion to recognize employees for anniversaries. Beginning this month **CL** will recognize employee anniversaries monthly. If we miss someone, we're sure our faithful readers will bring the oversight to our attention.
